Creating a business worth believing in

Welcome to ProCraft Cabinetry, where craftsmanship meets innovation, to create exceptional cabinetry solutions for your home or business.

With 40 years of experience in the industry, ProCraft Cabinetry is a major kitchen and bath cabinet manufacturer providing innovative designs, industry leading quality and unparalleled service.

Our team puts hours and hours of craftsmanship into every ProCraft Signature and Milania Line piece, and it shows.

Top quality at a value that can't be beat. That's ProCraft Cabinetry.

Our Philosophy:

At ProCraft, we believe that your home should reflect your style and personality. That's why we've made it our mission to craft cabinets that not only enhance the functionality of your space but also elevate its aesthetics.

We understand that every home is unique, and so are your needs. That's why we offer a wide range of cabinet styles, finishes, and customization options to suit your individual preferences. Whether you prefer a classic, timeless design or a modern, cutting-edge look, our cabinets can be tailored to meet your exact specifications.

Our Journey:

We began with a simple vision: to provide homeowners with cabinetry that marries form and function seamlessly.

Throughout this journey, we've stayed true to our roots, maintaining our dedication to quality, integrity, and customer satisfaction.

PROCRAFT CABINETRY

Procraft Signature, a line of our framed cabinets, are high-quality kitchen and bathroom cabinets known for their durability and craftsmanship. Premium materials like solid wood and veneered, furniture-grade plywood, ensure long-lasting performance and a timeless look.

Cabinet Modification Options

Procraft Cabinetry Phoenix provides a broader range of modifications compared to other companies in our price range.

Our modification program is on par with many semi-custom lines of other producers, despite the fact that these lines typically come with a significantly higher price tag than ProCraft's offerings.

- Increased Depth: Increase the depth of your cabinet.
- Reduced Depth: Reduce the depth of your cabinet.
- Prep For Glass: Prepare any door for glass. Base, wall, or tall.
- Finished Interiors: Match the interior of your cabinet to the exterior color.
- Make Bench Cabinet: Modify any drawer bank into a bench.
- Modify Toe Kick Height: Reduce the height of your toe kick or completely remove it.
- Void Top Drawer: Void the top drawer of any base cabinet.

The Procraft Signature cabinets feature a traditional framed construction style, where the door is attached to a frame that surrounds the cabinet box. They come in a variety of finishes and styles to suit different design preferences, making them a popular choice for homeowners looking to enhance the aesthetics and functionality of their spaces.

■ US Design + Assembly

Proudly designed, engineered, tested and assembled in the USA.

■ 5-year Warranty

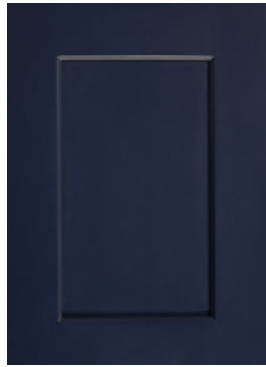

We offer the best warranty at our price point

■ High-quality Construction

We use only best furniture-grade plywood and solid wood.

Cabinet Construction

All our cabinets are made to last - we use only premium materials like solid wood and veneered, furniture-grade plywood. In addition, the cabinets are covered with 5-year Warranty.

- **Furniture-grade Plywood Box**
Our side panels are made from the finest furniture-grade plywood available, and ½ dovetails into the face frame for a secure connection that will never come apart.
- **Best-In-Class Finish**
Our finishes are resistant to most common kitchen spills including ketchup, mustard, vinegar, red wine and coffee.
- **¾" Thick Solid Wood Face Frame**
Procraft Signature face frames are made from solid ¾" wood stock with ½" dovetail connections.
- **Solid Wood Drawer Box**
UV clear coated on all exposed sides with 3/8" plywood drawer bottom.
- **¾" Thick Plywood Shelves**
Finished with a wood veneer top and bottom, edge banded on the front leading edge.
- **Soft-close Hinges**
Our hinges are soft-close and 6-way adjustable.
- **Steel Soft-Close Drawer Glides**
Fully-extensible drawer glides are all-steel construction with an internal soft-close mechanism on each glide for a smooth closing motion.
- **Thick Plywood Toe Kick**
4½" high, 2½" deep, ½" thick

Solid wood dovetail construction on all sides of the drawer box with uv clear coat. Plywood drawer bottom.

Solid wood corner brackets to ensure each cabinet is square and adds extra stability.

Drawer glides are all steel constructed soft-close mechanisms.

Plywood panel dados into the face frame. Side reveal is 1/4" before skin is applied.

Adjustable plywood shelf, finished with birch wood veneer top and bottom edge banded on the front leading edge.

6-way adjustable soft-close mechanism hinges.

Furniture-grade plywood coated with UV clear coat.

4 1/2" high, 2 1/2" deep, 1/2" thick toe kick boards.

Thick solid wood face frames with 1 1/2" stiles and rails.

Cabinet Modification Options

Take your design further! Procraft Cabinetry Phoenix offers a more extensive array of customization options than other companies within our budget range.

Despite the fact that semi-custom lines from other manufacturers often come at a considerably higher cost, our modification program is comparable in quality and options.

- Reduce Width, Height, or Depth
- Increase Depth
- Hettich German Engineered Drawer Box
- Push to Open Doors & Drawers
- Integrated Handles
- Integrated Appliance Panels
- ADA- Accessible & Adaptable

If your customers want clean and contemporary, our Milania Frameless Line is the answer. The Milania, an American modern full-access cabinetry line, offers a minimal, open appearance that adds just the right touch of style to any room.

Cabinet Construction

We ensure the durability of all our cabinets by using premium materials such as solid wood and veneered, furniture-grade plywood. Moreover, our cabinets come with a 5-year warranty for added peace of mind.

- **Furniture-grade Plywood Box**
Unlike our competitors who use cheap particle board and only edge band the front edge, Milania uses $\frac{3}{4}$ " thick furniture grade plywood edge banded on all four sides to make it more resistant to water.
- **Best-In-Class Finish**
Our finishes are resistant to most common kitchen spills including ketchup, mustard, vinegar, red wine and coffee.
- **Solid Wood Drawer Box**
Solid wood dovetail construction, UV clear coated on all exposed sides. $\frac{3}{8}$ " plywood drawer bottom.
- **$\frac{3}{4}$ " Thick Plywood Shelves**
Finished with a melamine top and bottom, edge banded on the front leading edge.
- **Soft-close Hinges**
Our hinges are soft-close and 6-way adjustable.
- **Steel Soft-Close Drawer Glides**
Fully-extensible drawer glides are all-steel construction with an internal soft-close mechanism on each glide for a smooth closing motion.
- **Thick Plywood Toe Kick**
 $4\frac{1}{2}$ " high, $2\frac{1}{2}$ " deep, $\frac{3}{4}$ " thick

$\frac{5}{8}$ " solid wood drawer box with dovetail construction, UV clear coated on all exposed sides. $\frac{3}{8}$ " plywood drawer bottom.

Multiple $\frac{1}{4}$ " cross supports positioned at front, back, and beneath drawers.

Full-extension undermount soft-close drawer sliders.

6-way adjustable soft-close mechanism hinges.

$\frac{3}{4}$ " thick furniture grade plywood edge, banded on all four sides to make it more resistant to water.

$\frac{3}{4}$ " thick full depth furniture-grade plywood shelves. Finished with a wood veneer top and bottom, edge banded on the front leading edge.

4 $\frac{1}{2}$ " high recessed toe kick area.

The logo features the word "Milania" in a large, elegant serif font, with a small green leaf icon to its right. Below "Milania" is the text "By ProCraft Cabinetry" in a very small font. To the right of the leaf icon, the words "PROCRAFT" and "CABINETRY" are stacked in a bold, sans-serif font.
